

Letter To Valentino

Please use the business letter format we have discussed in class. You may use the schools address, which I am including below.

Please organize your letter around 3 paragraphs:

- You and your family and friends: Just like we have met Valentino's primary and adoptive family and the friends he experienced his difficulties with
- Your school and Daniel Pearl: Valentino is building schools in his homeland. Tell him about ours.
- The one scene or event in the book that was most shocking, most memorable to you: Share with him your direct response to an event in his life

- REVISED TYPED DRAFT DUE WEDNESDAY 1/20
